Canada

As of the date of this communication, **AT4 Wireless S.A.U (AT4)** can certify equipment to the latest versions of ISED Category I Equipment Standards listed under the above scopes. IC will proceed with updating its records to reflect this recognition. This recognition is contingent on **AT4 Wireless S.A.U (AT4)**'s continued compliance with the recognition criteria, and administrative and operational requirements prescribed in ISED CB-02.

Certification bodies can notify ISED of products they certify by using the electronic filing system at: http://www.ic.gc.ca/eic/site/ceb-bhst.nsf/eng/h_tt00052.html.

Should you require additional information or clarification, please do not hesitate to contact me. Please make reference to the CAB identifier in any correspondence.

Sincerely,

Yan Losier,
